SENATOR CLARK NAMED TO BOARD

Senator Richard C. Clark (D-Iowa) has been named to the Gallaudet College Board of Directors by Vice President Gerald Ford, acting in his capacity as president of the United States Senate. Senator Clark is one of three Congressmen serving on the 21-member Board.

Elected to the United States Senate in 1972 following a 1,300 mile walking campaign through Iowa, the Senator is a member of the Democratic Steering Committee, the Senate Agriculture and Public Works Committees, and the Select Committee on Small Business. He is chairman of the subcommittees on Rural Development and Federal Buildings and Grounds.

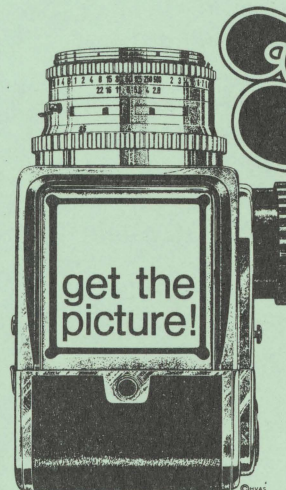

Born and raised in Iowa, Senator Clark received his bachelors degree from Upper Iowa University and a masters degree in history from the University of Iowa. Before becoming active in politics, the Senator was an assistant professor of history and political science at Upper Iowa University for five years.

He has also served as administrative assistant to Iowa Congressman John Dulver and as a national organizer for the late Senator Robert Kennedy's presidential campaign.

Senator Clark visited the Gallaudet College campus early in July and expressed a deep interest in the educational needs of the deaf.

NEW STUDENTS ENTER MSSD

This summer, 38 new students are entering MSSD, 24 of whom are from Kendall Demonstration Elementary School. The new students represent the following areas: District of Columbia (17), Maryland (12), Virginia (2), Pennsylvania (6), and West Virginia (1).

For the next month, Erik Calonius will be doing some free-lance photography for a series of slide presentations on Gallaudet.

ALA ADOPTS RESOLUTION REGARDING THE DEAF

Eleven staff members from the Edward Miner Gallaudet Library were able to participate in all or part of the American Library Association Convention held in New York last month.

Approximately 50 persons from the convention attended an informal reception hosted by the Library staff, which provided an opportunity for conversation with other libraries working with deaf people or interested in enlarging their services for the hearing impaired.

Lee Putnam joined Tom Freebairn, coordinator of Television Projects for the Deafness Research and Training Center, in a panel on "The Use of Video with the Deaf."

All of these activities and the visibility of the Library staff contributed to focusing attention on the needs of deaf members of the convention. A resolution regarding the participation of handicapped members included: "Be it further resolved that the officials of the American Library Association are hereby directed to seek to employ the services of an interpreter competent in sign language for the deaf at

all conference meetings of the general membership and Council."

THE OFFICE OF ALUMNI AND PUBLIC RELATIONS

It is the function of the Office of Alumni and Public Relations to translate the activities of the College into terms that will win the attention and support of the College's various publics.

The following are the major program activities of the department:

Alumni Relations - The alumni are actively involved in the programs of the College through the administration of the Gallaudet College Alumni Association.

Youth Relations - The Youth Relations Program is concerned with assisting deaf youth in developing their potentials for leadership and in planning their educational and career objectives. The program supervises the Jr. NAD.

Publications and News Services - Campus events and student activities are publicized to local newspapers, publications of the deaf and other media sources. The department is responsible for publishing Gallaudet Today, On the Green and the Alumni Newsletter on a regular basis, as well as assisting in the preparation of printed materials for other campus departments.

Visitors Program - The planning and coordinating of activities, services and materials for campus visitors are done through the Visitors Center.

Speakers Bureau and Diffusion Center - Through the answering of inquiries, arranging of exhibits and the recruiting of speakers, for example, information is made available to those requesting it.

Cultural Affairs Committee - Staff assistance is provided to the committee in planning and coordinating its program of cultural activities.

The Office of Alumni and Public Relations is located in Chapel Hall. We urge you to help us keep up to date with campus events and welcome any suggestions you may have for our program.

AN INVITATION

The Visitors Center is holding an open house for new students and their parents on August 16, from 10 a.m. to 4 p.m.

Please stop by for a cup of coffee and a chance to meet our entering students and their families.
